

§ 563b.360

paragraph (a)(3) of this section as follows: The numerator is the total qualifying deposit of the supplemental eligible account holder. The denominator is the total qualifying deposits of all supplemental eligible account holders.

§ 563b.360 Are my officers, directors, and their associates eligible account holders?

Your officers, directors, and their associates may be eligible account holders. However, if an officer, director, or his or her associate receives subscription rights based on increased deposits in the year before the eligibility record date, you must subordinate subscription rights for these deposits to subscription rights exercised by other eligible account holders.

§ 563b.365 May other voting members purchase conversion shares in the conversion?

(a) You must give rights to purchase your conversion shares in the conversion to voting members who are neither eligible account holders nor supplemental eligible account holders. You must allocate rights to each voting member that are equal to the greater of:

(1) The maximum purchase limitation established for the community offering and the public offering under § 563b.395; or

(2) One-tenth of one percent of the total stock offering.

(b) You must subordinate the voting members' rights to the rights of eligible account holders, tax-qualified employee stock ownership plans, and supplemental eligible account holders.

§ 563b.370 Does OTS limit the aggregate purchases by officers, directors, and their associates?

(b) The purchase limitations in this section do not apply to shares held in tax-qualified employee stock benefit plans that are attributable to your officers, directors, and their associates.

§ 563b.375 How do I allocate my conversion shares if my shares are oversubscribed?

(a) If your conversion shares are oversubscribed by your eligible account holders, you must allocate shares among the eligible account holders so that each, to the extent possible, may purchase 100 shares.

(b) If your conversion shares are oversubscribed by your supplemental eligible account holders, you must allocate shares among the supplemental eligible account holders so that each, to the extent possible, may purchase 100 shares.

(c) If a person is an eligible account holder and a supplemental eligible account holder, you must include the eligible account holder's allocation in determining the number of conversion shares that you may allocate to the person as a supplemental eligible account holder.

(d) For conversion shares that you do not allocate under paragraphs (a) and (b) of this section, you must allocate the shares among the eligible or supplemental eligible account holders equitably, based on the amounts of qualifying deposits. You must describe this method of allocation in your plan of conversion.

(e) If shares remain after you have allocated shares as provided in paragraphs (a) and (b) of this section, and if your voting members oversubscribe, you must allocate your conversion shares among those members equitably. You must describe the method of allocation in your plan of conversion.
